East Street Wine Co.

Sourcing fantastic wines from around the world for the finest restaurants, pubs & bars in the UK

CASTILLO DEL MORO, TEMPRANILLO, SYRAH, VINO DE ESPAÑA, SPAIN

Literally meaning "the most wanted", Vinos Más Buscados is a collection of wines grown and nurtured in the Southern half of Spain, mainly in the area known as La Mancha. Each wine is hand made and reflects the personality of the land and the subtle imprint of man in varying degrees. Vinos Más Buscados is a reflection of all that is best in modern Spanish wine making.

Viticulture

Vineyards are grown on the plains surround the town of Manzanares in La Mancha on a number of varying soil types. These range from deep clay loams with good drainage through to some very stony soils with a breakdown of granites, giving quite different flavour profiles. The vineyards are a mixture of low trellised vines on wires and a number of vineyards that are traditional bush vines with lower yields and more flavour concentration.

Winemaking

The grapes are harvested and bought to the winery where they are graded for quality and flavour profile then gently de-stemmed and crushed to large refrigerated draining tanks. Only the free run juice is used and sent to cold settling tanks where it is cooled and settled to clarify the juice. There is no pressing of any of the grapes used to make these wines to reduce the phenolics and keep the wines soft and fresh. Fermentation takes place using specially selected yeast strains in stainless steel to retain the fruit characters of the grape keeping the wine fresh and zesty.

Oak Treatment

No oak treatment

Tasting Note

Ruby red colour with violet tints showing its youth. On the nose it is fresh and elegant with characteristic aromas of cherry and red fruits typical of this variety. Light, harmonic and round on the palate with soft tannins.

Food Matching

This red is ideal with charcuterie, red meats and stews.

Grape Varieties	Tempranillo 85% Syrah 15%
