BELLA MODELLA, LA FARFALLA, PINOT GRIGIO ROSÉ, IGT, ITALY

Producer Profile

Taking a thoroughly contemporary approach, Bella Modella creates a fine yet affordable style of modern still wines and Prosecco.

The range includes the value focused Figlia, the butterfly inspired la Farfalla, and the Modella Prosecco.

Viticulture

Individual vine-growers contribute their grapes to the wineries based on personal cards recording all identification data of the production areas. During vintage, the agronomist in charge verifies the extent of maturation of the grapes and establishes vintage timing accordingly.

Winemaking

Upon arrival at the winery, grapes are selected by type, area of origin and sugar content, as these indications are fundamental to determine the wine quality potential. Wine-making is always based on cold vinification and soft pressing to enhance both fragrance and complexity.

Oak Treatment

No oak treatment
