LA VIE EN ROSE, CINSAULT ROSÉ, IGP PAYS D'OC, LANGUEDOC, FRANCE

Producer Profile

La Vie en Rose is a wonderfully evocative, almost 'fin de siècle' approach to rosé. With just a faint blush of colour, a hint of red fruits and a fleeting brush of subtle, spicy wood, this is a supremely balanced, savoury food-friendly style of wine that will help even the most hardened of sceptics see the wine through rose tinted specs.

Viticulture

Top category grapes from the Puichéric area from the best qualitative plots and vines averaging 25yo. 150m above sea level, the vines are protected from wind and receive plenty of sunshine. Grapes mature slowly developing an aromatic profile.

Winemaking

The grapes are selected among the coolest vineyards to ensure good natural acidity. Harvest is during the coolest hours of the day, early morning and the grapes are directly pressed into airbag presses. The juice is cold settled and goes through fermentation at cool temperature for 2 weeks. The wines are then quickly cleared off their gross lees and are kept in stainless steel tanks on fine lees only until bottling, in order to keep maximum fresh fruit and freshness.

Oak Treatment

No oak treatment.

Tasting Note

La Vie en Rose is a beautifully elegant wine with packaging to match. A lovely pink rose petal colour. A very fresh nose deliciously scented with raspberry aromas. Complex and tasty in the mouth with notes of cherry and grenadine. and a fleeting brush of subtle, spicy wood, this is a supremely balanced, savoury food friendly wine.

Food Matching

Incredible with salads and chargrilled meats but a versatile wine which partners well with most seafood and meat dishes.
